

Sinclair stations use public airwaves free of charge, and are required by law to serve the public interest. One-sided programs, like "Stolen Honor", do not serve the public interest and are harmful to our democracy. Please do not have your stations air "Stolen Honor," or if you do, please be sure to show a similar type of program about Bush's policies and the negative effects they've had on our country and world (i.e Fahrenheit 911) at similar times during the days/evenings before this year's elections. Thank you.
